HAMS PARTICIPATE IN HEALTH AND SAFETY FAIR AT OPSPREY LEANING CENTER

Representing the Sharc Club at the Annual Health and Safety Fair on May 17, 2003 were Cliff Banfill, KE6VDE; Jack Foster, KM6TE; Reba Sel, KF6HRE, and Lamar Hudson, AE6LJ. These hard working individuals easily generated interest by explaining the important role ham radio plays in emergency communications. The moderate attendance of the event gave them a chance to display their skills and educate the public.

They also enjoyed a tasty meal served by the Rotary Club. While learning news skills, or honing the old ones, everyone seemed to enjoy themselves.

To the max. Submitted by Sally Cambel, KG6FOL.
